

## Appendix 5

The following drafting changes are proposed to the **Corporate Plan** from the version agreed by Cabinet on 2 February 2010.

- Page 6, para 1 – finish last sentence ‘has been decreased by 0.4% to ensure nobody has to pay more than last year.’ Now reads ‘We were able to have a zero Council Tax rise for 2009/10 and this year Council Tax has been decreased by 0.4% to ensure nobody has to pay more than last year.’
- Page 11, bullet 3 – was ‘54.58%’ (quarter 1 only) . Now reads “Percentage of household waste sent for reuse, recycling and composting (combining dry recyclables and green waste) is 51.38% (average for April - December 2009) exceeding the target of 50% which was to be achieved by 2010/11”
- Page 12, bullet under Supporting initiatives - Protecting and shaping our natural and built environment – ‘City and Rural Vision’ reworded to ‘and District Vision’. Now reads **‘Protecting and shaping our natural and built environment** – including delivering the Local Development Framework (LDF) and District Vision to improve the visible street scene, public buildings and spaces and increase green transport - we will continue to resist development of more than 7,200 homes in the District by 2021 in order to protect the Green Belt
